

# Standards of Decision-Making Across Cultures

## Winter Semester 2021/2022

# Lecture Series

The SDAC Guest Lecture Series offers students of the Elite Master Program „Standards of Decision-Making Across Cultures“ the opportunity to learn about cutting edge research from distinguished scholars of socio-culturally oriented decision-making studies from around the world. Guests include university-based researchers from a range of disciplines working at the intersections of academic research and applied decision-making.
